Ivinar Park Academy Fees Terms and Conditions

Tuition Fees

Tuition fees encompass essential educational costs and are payable on a termly basis. The academic year comprises three terms: the first, second, and third. Payment for each term is due by the 7th day of the term's first month to facilitate effective financial planning and administration.

Early Payment Incentive: We encourage settling tuition fees early. An early, one-time payment of annual tuition fees qualifies for a 10% discount. To avail of this discount, full tuition fees must be paid before the term commences.

Late Payment Charges: Late payments will incur a 10% interest fee on the outstanding amount per month. Timely adherence to payment deadlines is strongly advised to avoid additional charges.

Registration Fees

Upon enrolling a child at Ivinar Park Academy, a non-refundable registration fee is mandatory. This fee covers administrative expenses and secures the child's spot in our school. Completing the registration process well in advance is recommended to ensure enrollment.

Uniform and Materials Fees

Tuition fees do not include uniforms and essential educational materials. Parents/guardians are responsible for purchasing these items separately. Specific details about uniform requirements and material lists can be obtained from the school's administration.

Sibling Discounts

We recognize and support families with multiple children attending our academy. To assist such families, a 10% discount on tuition fees is offered for the second and subsequent children from the same family enrolled at Ivinar Park Academy.

Scholarship Fund

To foster academic excellence and inclusivity, a portion of the fees contribute to our Scholarship Fund. This fund enables us to provide scholarships and financial assistance to students displaying exceptional academic performance or financial need.

Refund Policy

Refunds for tuition fees are only considered in exceptional circumstances and are subject to the school board's approval. If you believe your situation warrants a refund request, please contact the school's finance office for guidance.

Communication

Clear communication on financial matters is paramount. Any changes to the fee structure or policies will be communicated well in advance to parents/guardians. We aim to keep you informed and prepared for any adjustments.

Queries and Concerns

For any queries or concerns regarding fees, payment options, or financial matters, please reach out to the school's finance office. Our dedicated staff will be happy to assist and address any financial-related questions.

Note: This fee structure policy is subject to periodic review and may be updated as necessary to align with the evolving needs and regulations of Ivinar Park Academy. We appreciate your trust in us as we collaborate to provide your child with a well-rounded and enriching educational experience.
